

Copy Coming Soon

I was so excited and focused on designing and creating the pages in a magazine style layout that I let the copy fall by the wayside. I am in the process of writing the copy, adding more pages, and making improvements. I hope you like what you see. If you have any suggestions, I would be more than happy to hear them.

Sincerely Danyale,
Somewhere learning something.

HERSTORICAL WOMEN

There have been so many women who have contributed to history around the world.

Many of those women have rarely been heard of or their stories have been marginalized or even worse, attributed to men. My goal is to learn about as many of these women as possible and to educate as many people as I can. This site is a passion project and I am looking forward to all the knowledge and insight I am going to gain.

Thanks for coming along for the journey.
